

EXPLORING: LAW

Week 1 Laying Down the Law

Get ready for an exhilarating exploration into the world of laws! Students will begin by interrogating the importance of laws and how we ensure they are fair, culminating in the riveting case study related to racism in the Euros 2021 Final.

By the end of the session, students will understand the central role of laws in shaping our society, and comprehend how the need for specific laws evolves over time and across societies.

Week 2 Beliefs, Breakthroughs & Bills

In week 2, students will dive deep into the intricacies of crafting laws! Working collaboratively, students will craft their very own laws on topics close to their hearts, whether it's tackling climate change or addressing educational inequality.

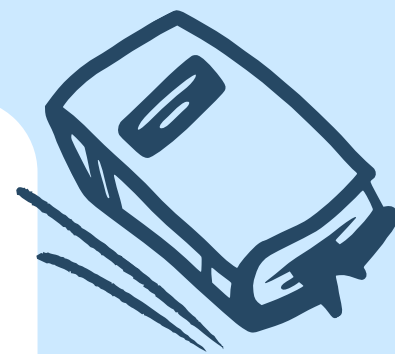

Through this hands-on experience, students will master the art of persuasive communication, a vital skill in the legal realm, leaving them equipped to advocate for change with confidence.

Week 3 The Laws we Live By

In Week 3 students will immerse themselves in various legal domains, from contract law to family law. Focusing in on human rights law, students will dissect the implications of the Universal Declaration of Human Rights.

Through critical analysis and examination, participants will unravel the complexities of positive and negative freedoms, then engage with the contemporary legal landscape, by dissecting the Police, Crime, Sentencing and Courts Bill 2021.

Week 4 Negotiation Time!

Step into the shoes of legal professionals as students delve deeper into the roles of judges, solicitors, and barristers. Through immersive activities, participants will hone their skills in courtroom tactics, mastering the art of "Examination in Chief" and "Cross Examination."

Students will sharpen their persuasive abilities as they advocate for their clients, and practice persuading a judge to give their client bail!

Week 5 Your First Legal Trial

Brace yourselves for the ultimate showdown as students put their newfound legal prowess to the test in a thrilling mock trial! Working in teams representing the prosecution and defence, students will engage in a high-stakes battle, applying all the skills and knowledge acquired throughout the course. It's a grand finale where students will showcase their legal acumen and skills of persuasion!
